

## WHAT IT'S ALL ABOUT

Our goal is to introduce the fun of outdoor sports to kids who would not usually get the chance at this great experience. Maybe their parent or parents have never been involved either? Though our event is for the kids, parents will most likely learn something also. By joining us for one day, your family can learn to enjoy new activities that take you outdoors.

That goal is second only to safety. Our instructors stress safety first. Most are certified MN DNR Firearm Safety, NRA Range Officers and/or NRA Firearms Trainers. They have years of experience safely introducing kids and adults to the enjoyment of shooting sports.

So join us to see the variety of activities available in the outdoors. From fishing to hunting, archery or sport shooting, off-road ATV fun to rock climbing, Geocaching to hiking, or maybe just catching the beauty of our world on canvas or with a camera. You are sure to find something to bring you Family Fun in our great outdoors.
